The 25th Pacific and Asian Society of Minimally Invasive Spine Surgery

[Pre-Course] Endoscopic Spine Surgery Video Forum

Date & Time : August 14 (Wed), 2025, 15:00 - 17:00
Venue : Room B, Crystal Ballroom (3F), Lotte Hotel Busan

Join Us for the PAMISS 2025 Pre-Course : Endoscopic Spine Surgery Video Forum!

Mark your calendar! Just one day before the official symposium, we're excited to host a special pre-session designed to engage, inspire, and inform. Don't miss this unique opportunity to kick off the event with insightful discussions, practical demonstrations, and a chance to connect with leading experts in the field.

With the growing interest in endoscopic spine surgery, this forum provides a platform to share surgical techniques, discuss ways to manage and prevent potential complications, and review real surgical scenes shared by experienced surgeons. Designed for everyone—from beginners starting with endoscopic spine procedures to seasoned experts looking to refine their skills—this session offers practical insights and lively discussions.

Come early, connect early — and ensure you're fully prepared for the main event! Your participation will greatly enrich the learning experience for all attendees.
